91 Points

Fresh and tropical fruit driven, this makes for easy drinking when the mercury rises. Pineapple, green melon, gooseberry and lemon pith. Clean and crisp, it steers away from the grassy and green Sauvignon Blancs which are a turn-off - for me anyway. Find some sunshine and find some seafood. Drink now

Alluring passionfruit, snow pea and capsicum aromas, crisp tasty palate with great acid balance and a lovely long-lasting finish. Very drinkable.
